Dear Parent / Carer

It is my pleasure to introduce myself to you. My name is Steve Lewis and I have been the Headteacher of Rushcliffe School in West Bridgford for five years.

As of this month, I have been asked by the board of the Trent Academies Group to take up the position of Executive Headteacher of both Rushcliffe School and The Farnborough Academy. I am delighted to be able to do this.

At present I am meeting staff and pupils and getting to know the academy. There is much good work going on at Farnborough and I have been impressed by the commitment of both staff and pupils to create an environment where all can achieve and do the right thing.

Last week Governors and I were pleased to appoint an excellent Head of School. He is Mr Martyn Jobling who is currently Head of The National Academy in Hucknall. He will take up position in September and I and the rest of the staff will work closely with him, to enable The Farnborough Academy to rapidly improve outcomes and build on the great work started by Mr Chaloner and his team.

It is an exciting time for The Farnborough Academy and both Mr Jobling and I are fully determined to make Farnborough a centre of excellence and a vibrant learning community that will benefit all in Clifton.

We will of course keep you informed of changes within the academy and arrange opportunities to meet with parents, carers and the wider community in due time.

Kindest Regards

Steve Lewis
Executive Headteacher
The Farnborough Academy and Rushcliffe School.
